---------	------	----------

1: Central European forests and forest industry

12	Central Europe forest species mix
13	Global industrial roundwood production, 2020, by region
14	Global softwood roundwood supply and export, 2020, by region
15	Global softwood sawlog and pulplog prices
16	Public forest ownership in Europe
17	Central European private forest ownership by size class
18	Central European softwood roundwood demand and supply, import by source
19	Use of roundwood (wood in final products), 2020, Central Europe and peers
20	Estimated Central Europe roundwood supply and demand, 2020

2: The spruce bark beetle outbreak

27	Bark beetle damage by province, Austria
28	Historical beetle damage versus mean annual temperature, Austria
29	Forest disturbances 2010-2017 (pre-bark beetle outbreak)
30	Timber damage in Central Europe, by cause
31	Roundwood harvested due to forest damage, Germany

3: Impact of the bark beetle on wood markets

35	Beetle damage and harvests, Central Europe
36	Roundwood removals, Central Europe - By country
37	Roundwood removals, Central Europe - By grade
39	Industrial roundwood supply-demand balance, Central Europe - 2015 and 2021e
40	Softwood log trade, Central Europe, 2020
41	Major Central European softwood log trade flows
42	Wood in forest products, Central Europe
43	Softwood sawlog prices in Central Europe

4: Outlook for Central European wood supply

46	Beetle-damaged timber in Central Europe
47	Beetle damage and harvest in British Columbia and Central Europe
48	Central European roundwood harvests, 2015-2022f
50	Central European forest growth (NAI) and fellings - Scenarios
51	Central European wood supply scenarios, post-outbreak (softwood + hardwood)
54	Central European forest growth (NAI) and fellings - By country
55	Russian log exports

5: Implications for European markets

59	Softwood sawlog prices, 2000-2025f
60	Softwood pulplog prices, 2000-2025f

[65](#) Central Europe fiber demand and supply

6: Implications for Global markets

[71](#) Central European softwood log exports

[72](#) China softwood log imports

[73](#) Germany softwood log exports and prices

[74](#) Central European softwood lumber demand and supply

[75](#) US softwood lumber imports

[76](#) Softwood lumber exports from Russia, Belarus and Ukraine
